

DAVALOR Mold Company, LLC

Quality Policy

(PL-04, 3-28-17)

As a company producing injection molded products, DAVALOR Mold Company, LLC is committed to an efficient and effective Operational System which will meet customer requirements and facilitate growth and profitability.

Our Quality Management System (QMS) will support the Operating System through:

- The establishment of annual Quality Performance Objectives
- Tracking our Quality performance via Key Performance Indicators (KPI's)
- Continual improvement of Quality related processes
